VICKSBURG INTELLIGENCE.

Ten of Com. Porter's mortar fleet arrived at New Orleans on the 9.h. The rest were coming up. The flotilia comprises twenty mortar boats and eight steamers. The Federal " advance division " arrived in its

old position below the city on Saturday evening. None of the vessels were molested on the route, that we could hear of. This, we are credibly inormed, was owing to Gen. Lovell's refusing t llow our light artillery to go to Ellis' Cliffs. We suppose it is all right, as Gen. Lovell is a

We hear that Gen. Lovell, with staff and famhas moved his headquarters to Meridian. We hope that he will not find it necessary to visit. our city again, for thus far he has proved telum The enemy's vessels below fired some half

ezen shots at our lower batteries on Sunday ening. All was quiet yesterday Numerous rumors were affont yesterday in regard to the arrival of the Federal fleet at different points on the river above our city, but so far as we could learn they were without founda;

The remainder of the lower fleet is now joinng the advance squadron below this city. Com. Porter's mortar fleet comprising twenty mortar, boals and eight steamers, is also on the way up-We are informed that the work of burning ofton is stifl going on in this county, in suc places as might be exposed to the enemy.

Defeat of the French in Mexico. The report, received several days ago, of a seere battle between the French and Mexicans before Puebla, resulting in the defeat and rout of the French army, is fully confirmed by several sources, and most recently by the news via Havana, given elsewhere in our columns this evening. The buttle was fought on the 5.h of May, and from lack of movements since that time, it is reasonable to conclude that the French were so bally whipped that they had no atomach to renew the fight. The Mexican general, Berioabel, says in his report:

All the commanders and officers in the brigade nder my command conducted themselves in the nost brilliant manner. For this reason I do not nake special eulogies, because-I repeat it-all have perfectly done their duty. It is only thus hat one can explain the rout of an enemy accustomed to conquer everywhere, (is is afn their breasts), and its flight betore our troops the midist of the combat We have taken some prisoners, who have een sent to the fortress, and have collected more than three hundred dead belonging to the

enemy. Gen. Beriezabel's report closes in this strain

IMPORTANT FROM MEXICO.

The Mexicans Defeal the French. NEW YORK, June 13 .- The steamer British Queen, with Havana dates to the 7th and Nas sau to the 9 h, arrived this evening. Among passengeres is Mr. Plamb, bearer of the ratified postal conv. ntion and extradition treaty with Mex co.

The news from Mexico of the 1st inst, cor irms the defeat of the French troops by the Mexicans, 500 of the former being killed and 700 taken prisoners; but the latter were rehem. The Mexicans are actively fortifying the hen reinforcements arrive. The statement was current in Havana that

Mexico as against the United States. Great diseffection exists among the French efficers, leading to appeals to Napoleon. The English minster has concluded a treaty with Doblado, and

Strageza has a force of 14,000 men, and Or tega was expected in Mexico with 5,000 more, and recruits are coming in from all points. Marquez is in Vera Croz, and was about c oreing a forced loan on foreign merchants, and t was supposed that the English Admiral would aight displease the French

Trading with the Enemy Prohibited. The Confederate Congress has passed an act chibiting, under heavy penalties, all trade with towns in possession of the enemy. It is nportant, says the Augusta Constitutionalist, hat this law be strictly enforced at whatever out, wherever possible. Otherwise, we are bjected to a greater danger than that or the he law will afflict many innocent sufferers. It will, perhaps, bear much harder on friends than es, in many cases. But such are among the unhappy incidents of war. A great public policy is sought to be accomplished by total at into the way of trading with the enemy. sey will be more than half prepared for the mmense cost of blood. The battles of this war will then have been fought in vain.

There is nothing, we would add, toward should exerseise a more alcopless vigilance. A trader in Yankee wares, obtained from the enemy, Should be watched as closely as the enemy himself. There is nothing that will prove, when tolerated, so enervating and depasing upon the public mind of a people strug-Confederate money for gold, giving two dollars
